Subject: Davenport (NPDES #82-22-003) - Follow up to SSO on 05/25/2010

On 05/26/2010 at ~1548 Laverne Cole called with an update regarding the bypass in the 1800 block of West Kimberly, Davenport, IA . Per Mr. Cole, repairs were completed at 1520 today. Samples were collected and are being processed at the treatment plant. Copies of the results will be faxed to the field office by Dennis Ryan or one of his staff.
