On 8-13-2010, I participated via conference call in a project initiation meeting for Keokuk's Victory Park CSO project.

Present for the meeting were Emy Liu, DNR
Jean Krewson, DNR
Kelly Beard-Tittone, EPA
Dave Schechinger, V/K
Mark Bousselot, City of Keokuk
Joe Rider, City of Keokuk

The goal of this project is to eliminate 3 CSO's in the Victory Park area. It will require sewer separation of a 4x6 block area. Presently, the archeological investigation has been held up by rain. There is no definite construction schedule yet.

The city has a STAG grant and will use SRF or local funding. Total project cost is in the 3-4 million range.
