Dear Mr. Brandt

Paul I would like to inform you and your office that as of June 30, 2011 I will no longer be the Operator In Responsible Charge of the Ottumwa, Iowa's Water Pollution Control Facility. I will be retiring and will only be assisting the City on a 5 hour per week basis. Kam Reeves our current Operations Supervisor will be the Responsible Operator in Charge. I have enjoyed working with you and the rest of the staff at the region 6 office. Kam will be a great person to work with and is scheduled to take his grade IV test very soon. If I can provide any further information please feel free to contact me at 641-777-1320.

Sincerely,

Robert M Bruett
