Prior to making changes in manure management practices, update the on-site copy to show actual changes. Please select changes below and include all changes in your current, on-site MMP.

- I have made no changes to my MMP
- I have added acres
- Change Crop Rotation or Optimum Yields
- Changed Application Method
- Used manure analysis
- I am electing to be a small animal feeding operation (SAFO) or facility capacity has changed
- I have made other changes to my MMP Describe :

Per 10/16/25 email from Darcy at Extended Ag "We received a call from Grooters' requesting us to make their site #64242 inactive. They have not had cattle in the feedlot since April and are unable to find someone to custom feed for at the present time. Please mothball this site. Thanks"
