Dear Mr. Peters:

Thank you for your recent submittal of the Additional Assessment Work Plan for the Sheffield Farmers Coop Site. The department has reviewed Barker Lemar's proposed plan and finds it to be sufficient for our needs at this time.

Please have the results from this sampling round to our office by the end of June for review. At that time, we will make a determination as to what further steps need to be taken for this site.

If you have any questions please contact me at (515) 242-5084.

Sincerely,

Piper Sullivan
