Dear Mr. Plack

In a September 14, 2004 letter you requested the assistance of the Iowa Department of Natural Resources, Contaminated Sites Section, in locating any records pertaining to property used by the United States Navy associated with the Ottumwa Naval Air Station during World War II. Unfortunately, no records of land use agreements were found in our database as well. Sorry I couldn't be of assistants.

If you have any questions or need further information please feel free to call or e-mail at (515) 281-4171 or dan.cook@dnr.state.ia.us.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Cook", written over a horizontal line.
