Project Closeout Activities Report Dated December 2001

Dear Mr. Sieben:

The Iowa Department of Natural Resources, Contaminated Sites Section, (Department) has completed the review of the above referenced report. The report clearly demonstrates that all the requirements of the Department's letter to you, dated July 3, 2001, have been met. Therefore, no further environmental action is required at the site described in the report. Although the site requires no further action, the Department reserves the right to require additional work at the site if conditions change.

If you have any questions or need further information please feel free to call or e-mail at (515) 281-4171 or [dan.cook@dnr.state.ia.us](mailto:dan.cook@dnr.state.ia.us).

Sincerely,

  
Daniel Cook
