NOTICE OF CORRECTION

On August 31, 1990, the director of the Department of Natural Resources provided notice that the real property owned by Winnebago Industries, Inc. and Waldorf College and located in Forest City, Iowa, which is legally described in the attached Appendix A had been placed on the registry of hazardous wastes or hazardous substances disposal sites. The legal description of the subject property was later corrected and no longer included any property owned by Waldorf College. It would appear that the County Recorder was not notified of this correction. The property described in the attached legal description is not a part of or listed on the registry of hazardous wastes or hazardous substances disposal sites unless otherwise notified. A 1.43-acre portion of the Winnebago property located in the Southwest Quarter of the Southeast Quarter of the Southwest Quarter of Section 35, Township 98 N, Range 24 W, Winnebago County, Iowa has been listed and said notice is on file.

Questions regarding this Notice may be directed to the Department of Natural Resources, 900 East Grand Avenue, Henry A. Wallace Building, Des Moines, Iowa 50319-0034.
