Re: WPL Waterloo site, DNR # 07-05225-SM-1105

Dear Mr. Jahnke:

Thank you for the copy of the latest semi-annual monitoring report dated May 11, 1998. The department concurs that the CAS operating within Area 3 can be shut down. As stated in your report, the system would have to be reinstalled should water quality indicate that it is warranted. The next monitoring report is due at the DNR no later than November 15, 1998. Feel free to contact me at 515/281-8873 if you have any questions.

Sincerely,

Susan M. Dixon
Environmental Specialist
Emergency Response Unit
