RE: Administrative Order No. 2005-UT-02
Pep Gas Bulk Fueling Station

Dear Mr. Fedler:

This letter is to confirm that you have complied with the non-penalty terms of the above referenced order. The order also assessed a \$3,670 penalty. The Department has decided to waive the penalty after taking into consideration your prompt and complete response to the order, the costs incurred in completing corrective action at this site and the substantial upgrades you made to the AST fuel storage and dispensing system.

The Department considers this matter closed.

Sincerely,

A handwritten signature in black ink, appearing to read "David L. Wornson", written over a horizontal line.
