

# Memorandum

**To:** File  
**From:** Tami Rice  
**Date:** 8/14/2007  
**Re:** Cogdill Farm Supply, Dunlap - Phone conversation with Sam Cogdill

---

I received a call from Sam Cogdill today. Mr. Cogdill said he is working with Joe of Sunquist Engineering out of Denison. They will work with Terracon and will have a work plan to me within a few days. The work should be completed within about 30 days.
