Dear Mr. Moore:

This is in reference to your letter dated October 28, 2009, to Ms. Diana Bailey of our office. You had enclosed a copy of the Limited Remedial Investigation (RI) Report for the Freeman-Davis Army Reserve Center in Sac Center, Iowa. The Limited RI Report was in response to the Federal Facility Preliminary Assessment Review (FFPAR) Report dated August 2007.

We have reviewed the Limited RI Report and concur with the conclusions as stated in the report. We approved your final determination that no further action is recommended for this site.

I will recommend to our Regional Docket Coordinator that this site be removed from the Federal Facility Hazardous Waste Compliance Docket. If you have any questions or comments, please contact me at 913-551-7568 or [king.ronald@epa.gov](mailto:king.ronald@epa.gov).

Sincerely yours,

Ronald King
