RE: **Phase I Environmental Site Assessment and Limited Site Investigation**
3334 Lincoln Way, Ames, IA 50014

Dear Ms. Quam,

As part of our due diligence efforts to research the history of this site prior to our planned acquisition of it, First National Bank (FNB) has engaged Terracon Consultants, Inc. to prepare both a Phase I Environmental Site Assessment (ESA) and Limited Site Investigation (LSI) of above referenced site. Attached are copies of those report which we respectfully request that your office review in an expeditious manner and inform FNB of any future obligations it may have should FNB, in fact, acquire the site and remodel the existing structure to serve as a branch facility.

If you have questions or comments, please contact either myself or Scott Bauer at (515) 232-5561. Thanks you for your prompt attention to this matter.

Sincerely,
