Subject: Desoto Notification
Date: Monday, May 05, 2014 8:43:07 AM

Sir,

I would like to touch bases and let you know we are scheduling the mobilization to the Desoto National Wildlife Refuge for June 1st and would start working on June 2nd, 2014. This is in regards to the small arms range lead remediation project we are completing for the Fish and Wildlife Services.

I also wanted to ask if you would like us to submit another letter of notification to you for this date? If you have any questions or concerns, please contact me at any time.

Thanks again
