Re: Former Pilling Bulk Petroleum Site, 114 Main Street, Macedonia, Iowa 51549

Dear Mr. Pilling:

I have been assigned as the Iowa Department of Natural Resources, Contaminated Sites Section, project manager for the former Pilling Bulk Petroleum Site in Macedonia, Iowa. As of the date of this letter you have failed to respond to previous requests for additional environmental data collection for the petroleum impacted soil and groundwater.

Within 45 days of receiving this letter you shall submit a remedial action plan as described in Iowa Administrative Code 567- Chapter 133.2. The plan will describe what actions you will be taking to remediate the petroleum found in the soil and groundwater at the former Pilling Bulk Petroleum Site to levels below the action levels found in Chapter 133.

If you have any questions or need further information please feel free to call or e-mail at (515) 725-8371 or dan.cook@dnr.iowa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Cook", written over a horizontal line.

Daniel Cook
Environmental Specialist Senior
Contaminated Sites Section
