RE: Collis, Inc. – Revised Corrective Measures Study Work Plan Final 2014-2015
Groundwater Sampling Summary Report dated May 4, 2016
Collis, Inc. Facility, Clinton, Iowa
EPA ID No. IAD047303771

Dear Mr. Calhoun:

The U.S. Environmental Protection Agency Region 7 is in receipt of and has reviewed Collis, Inc. revised “Corrective Measures Study Work Plan Final 2014-2015 Groundwater Sampling Summary Report” (revised Final 2014-2015 Groundwater Summary Report) dated May 4, 2016.

The EPA approved with comments Collis’s revised Final 2014-2015 Groundwater Summary Report in its letter dated March 15, 2016, contingent on the requirement that a revised Final 2014-2015 Groundwater Summary Report addressing EPA’s comments is received at the EPA’s office within 15 days of certified receipt of this letter.

The EPA’s review has determined that the document has been revised in accordance with the EPA’s March 15, 2016, comments and received within the approved extension of time request timeframe. Collis may proceed with the sampling described in the revised -Final 2014-2015 Groundwater Summary Report dated March 4, 2016.

If you have any questions, please contact me at either (913) 551-7662 or via email at stone.andrear@epa.gov.

Sincerely,
