Re: Site Assessment Work Plan, Former Pilling Bulk Petroleum Site, 114 Main Street, Macedonia, Iowa dated August 31, 2016

Dear Mr. Pilling:

The Iowa Department of Natural Resources, Contaminated Sites Section, has received and reviewed the above referenced work plan submitted by Array Environmental Inc. and has no comments or concerns, the work plan can be carried out as written. The field work will need to be completed before the end of the 2016 calendar year.

Please let me know the schedule for the field work so I may have the opportunity to be on site. If you have any questions or need further information feel free to call or e-mail at 515-725-8371 or dan.cook@dnr.iowa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Cook", written over a white background.

Daniel Cook
Environmental Specialist Senior
Contaminated Sites Section
