Re: Oil/Water Separator Closure and Environmental Sampling Summary, Serrano  
Drywall Supply 215 W 9th Street, Coralville, Iowa, 52241 dated March 27, 2017

Dear Mr. Pray:

The Iowa Department of Natural Resources, Contaminated Sites Section, has received and reviewed the above referenced document and has no comments or concerns. No additional environmental work is needed concerning the petroleum and semi-volatile organic compound issues noted in the September 2016 environmental phase II site assessment for the Serrano Drywall Supply, 215 W 9th Street, Coralville, Iowa.

If you have any questions or need further information feel free to call or e-mail at 515-725-8371 or [dan.cook@dnr.iowa.gov](mailto:dan.cook@dnr.iowa.gov).

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Cook", written over a white background.

Daniel Cook  
Environmental Specialist Senior  
Contaminated Sites Section
