Re: Remedial Action Work Plan, River City Stone, Rose Spur Quarry, Hurber Road,
Dubuque, Iowa dated April 24, 2018

Dear Ms. Wetzel:

The Iowa Department of Natural Resources, Contaminated Sites Section, (Iowa DNR) has reviewed the above referenced work plan submitted by ATC Group Services, LLC. on behalf of River City Stone and accepts the site work plan as written with the following understanding. In Section 2.3, Sampling and Stabilization Procedures, all the referenced TCLP sampling will be done to characterize the soil for proper disposal. The proper sampling protocol and number of samples collected will be found in the Special Waste Permit and /or as required by the selected landfill.

As noted in the work plan, please let me know when the field work has been scheduled. If you have any questions or need further information feel free to call or e-mail at 515-725-8371 or dan.cook@dnr.iowa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Cook", is written over a light-colored background.

Daniel Cook
Environmental Specialist Senior
Contaminated Sites Section
