To Whomever it May Concern:

This is a follow-up to the right of entry letter that you received from the US Army Corps of Engineers and Army National Guard about conducting a site inspection for Non-Department of Defense Owned Non-Operational Defense Site (NDNODS) Sioux City Hill Farm Rifle Range (site # IAHQ-011-R-01) where the Army National Guard once conducted military munitions training activities on what is now your property.

The Site Inspection has been completed for NDNODS Sioux City Hill Farm Rifle and with the concurrence of the Iowa Department of Natural Resources (IA NR) we have determined no further action is required. We did not identify an environmental or human health concern related to past Army National Guard training activities.

Copies of this letter were furnished to the Iowa Army National Guard, IA DNR, and the US Army Corps of Engineers.

We thank you for your support in allowing the Army National Guard to complete site inspection activities. If you have any questions regarding this request or would like further information, please contact National Guard Bureau Public Affairs via e-mail at ngb.par@ng.army.mil or by mail at National Guard Bureau Public Affairs, 111 S. George Mason Drive, Bldg 2, Arlington, VA 22204.

Sincerely,
