Hi Dan, we are working on this, however, we need a 30 day extension. The work plan should be to the IDNR by mid-April.

Thank you!

Hi Scott

This is a reminder that the IAC-567-133 site assessment work plan is due by the end of the day tomorrow (March 29th) to assess the petroleum contaminated soil found at the former depot in Farson, Iowa.

Please call if you have issues with the submittal.

Dan
