Dear Mr. McMahon:

Thank you for the submittal of the Post-Remediation Site Monitoring Report dated April 25, 2019, for the Barker/Hill Phoenix (B/HP) property that summarizes the groundwater monitoring results conducted in February and March 2019. The Iowa Department of Natural Resources approves the report without comment and concurs with the recommendations for continued semi-annual monitoring at the proposed schedule and associated the semi-annual reporting.

Feel free to contact me if there are any questions, comments, or concerns at 1-515-725-8337.

Sincerely,

Matt Culp
