RE: Revised 2020 Annual Report, Former Fort Dodge Animal Health Facility, Charles City, Iowa,
February 22, 2021
EPA ID No. IAD005275540

Dear Ms. Horst:

The U.S. Environmental Protection Agency has reviewed the subject document, received February 22, 2021, and finds it to be generally acceptable. The EPA hereby approves the document. As agreed in your cover letter to the subject document, the soil gas sampling points at both Zoetis and Cambrex will remain in place for potential future use. If you have any questions, please contact me at (913) 551-7324 or by e-mail at gravatt.daniel@epa.gov.

Sincerely,

Daniel Gravatt, P.G.
Project Manager
RCRA Direct Implementation Section
Land, Chemical and Redevelopment Division
