RE: Invitation to the "RCRA Corrective Action: 2020 and The Road Ahead" Conference

Dear Mr. Novetzke:

The Association of State and Territorial Solid Waste Management Officials is hosting the 2020 RCRA Corrective Action Conference the first week of June at the Hilton Lexington/Downtown Hotel in Lexington, Kentucky. The Conference will look at issues facing the RCRA Subtitle C corrective action program in 2020 and beyond.

The June 4th and 5th sessions are open to other federal agencies, industry representatives and consultants. The format of the Conference will include plenary and breakout sessions and is designed to maximize discussion time and information-sharing among attendees. Region 7 is extending an invitation to you since your corrective action facility has not yet achieved a remedy construction.

Information regarding the Conference, including agenda, hotel and registration is available at <http://astswmo.org/event/astswmo-2020-rcra-corrective-action-conference/>.

Please contact me if you have any questions at 913-744-9342 or by email at messinger.lisa@epa.gov. We hope to see you at the Conference.

Sincerely,

Lisa Messinger
Project Manager
RCRA Oversight, Authorization Grants
