Re: 2021 Groundwater Monitoring Report, Climax Molybdenum Company, Fort Madison, Iowa  
dated March 2022

Dear Mr. Caskey:

The Iowa Department of Natural Resources, Contaminated Sites Section, has reviewed the above referenced groundwater monitoring report submitted by Geosyntec Consultants, Inc. on behalf of the Climax Molybdenum Company and has no comments or concerns. The monitoring report is accepted as written including Section 6, Conclusions. Please let me know when the spring groundwater monitoring event has been scheduled so I may have the opportunity to be on-site.

If you have any questions or need further information please feel free to contact me.

Sincerely,

Daniel Cook  
Environmental Specialist Senior  
Solid Waste & Contaminated Sites Section
