Good morning,

This email serves as notice of a change in MidAmerican Energy's Project Coordinator, in accordance with the site-specific consent decrees for Peoples Natural Gas Dubuque, Iowa City FMGP, and Waterloo Coal Gas. I will be leaving MidAmerican May 6, 2022, and Josh Van Winkle will be MidAmerican's point of contact for these sites. Josh is familiar with current activities and future site plans. His contact information is as follows:

Josh Van Winkle

Sr. Environmental Analyst

MidAmerican Energy Company

[4299 NW Urbandale Dr](#)

[Urbandale, IA 50322](#)

Office Phone: 515-281-2953

Josh.VanWinkle@midamerican.com

Kevin Armstrong with GHD will continue to be MidAmerican's consultant working on MGP projects. Please let me know if you have any questions.

Sincerely,

Jenny Coughlin

Sr. Environmental Analyst
