MR. RICK BARTELS
(RB INVESTMENTS)
UNIT A, 4630 WESCHESTER DR. NE
CEDAR RAPIDS, IA 52402

Subject: Sub-Slab Vapor Corrective Action Work Plan for 4103 Center Pont Road, Cedar Rapids, Iowa

Dear Mr. Bartels,

The Iowa DNR has completed review of the Work Plan for Sub-Slab Vapor Corrective Action submitted by Atlas for the property referenced above. The proposed design, installation and operation of the system to mitigate the tetrachloroethylene (PCE) soil vapors is acceptable and approved.

Thank you for your continued cooperation in the investigation and mitigation of this site

Please feel free to call if you have any questions

Sincerely,

Matt Culp
