Re: Iowa City FMGP Superfund site – 2021 Remedial Action Annual Report

Dear Mr. Van Winkle:

The U.S. Environmental Protection Agency has received the document titled “2021 Remedial Action Annual Report, Former Manufactured Gas Plant Site, Iowa City, Iowa” (dated February 18, 2022). The document was developed by GHD on behalf of MidAmerican Energy Company (MidAmerican) for the Iowa City FMGP site in Iowa City, Johnson County, Iowa and was received by the EPA (via email) on February 18, 2022. The EPA and Iowa Department of Natural Resources, Contaminated Sites Section, have reviewed the referenced document and hereby provide Approval of the report pursuant to Section XI (the EPA Approval of Plans and Other Submissions) Paragraph 36 of Consent Decree Order No. 3:08-vc-0133-JAJ.

If you have questions regarding this or any other issue pertaining to this site, please contact me at (913) 551-7848 or by e-mail at johnson.bradley@epa.gov.

Sincerely,

Brad Johnson
Remedial Project Manager
Federal Facilities and Post Construction Section
Superfund and Emergency Management Division
