RE: Transmittal of Long-Term Stewardship Desktop Assessment Report for
Safety-Kleen Systems, Incorporated
Davenport, Iowa
EPA ID # IAD098027592

Dear Mr. Culnan:

The purpose of this letter is to provide you with a copy of the Long-Term Stewardship Desktop Assessment Report completed on April 7, 2022, for Safety-Kleen Systems, Incorporated facility located in Davenport, Iowa. The LTS desktop assessment was conducted as part of the U.S. Environmental Protection Agency's Region 7 LTS assessment program to periodically evaluate the effectiveness and adequacy of the long-term institutional and/or engineering controls at RCRA corrective action facilities once such controls have been established. This assessment was conducted via desktop record review.

Based on the findings of the LTS desktop assessment, no deficiencies were identified requiring action.

Should you have any questions, please do not hesitate to contact me at (913) 551-7627, by email at murrow.patricia@epa.gov or at the letterhead address above.

Sincerely,

Patricia Murrow
Project Manager
RCRA Direct Implementation Section
Land, Chemical & Redevelopment Division
