RE: Notification of Well Abandonment  
Fairfield Aluminum Castings Company (FALCO) Lease Property  
Fairfield, Iowa

Dear Ms. Sullivan:

RDG has received your January 9 and February 13, 2002 letters accepting the Amended Tier 2 SCR and the assignment of a No Action Required Classification. Accordingly, we have abandoned and plugged the monitoring wells at this site. Monitoring well MW-13 located in Sixth Street had been covered with new pavement and could not be accessed and MW-15 could not be located. Monitoring well MW-2 was destroyed during the over excavation activities and not replaced.

The completed Abandoned Water Well Plugging Records (DNR Form 542-1226) for monitoring wells MW-1, MW-3, MW-4R, MW-5R, MW-6, MW-7, MW-8, MW-9, MW-10, MW-11, MW-12, and MW-14R have been included with copies of the deeds. Copies of the well abandonment forms have also been submitted to the Jefferson County Public Health Department.

If you have questions regarding this letter, please call me at (402) 894-2678.

Sincerely,

A handwritten signature in black ink that reads 'Kris LeVier'. The signature is written in a cursive style with a large, looped 'L'.
