RE: 2022 Annual Summary Report for the Union Pacific Railroad, 605 S. Third Avenue Marshalltown, IA - Fueling Facility

Dear Mr. McDermott

This letter is to inform you that the Iowa DNR contaminated Sites Section has reviewed and approved the report referenced above. The Iowa DNR notes approximately 284 gallons of LNAPL was recovered in 2022.

The Iowa DNR will anticipate the 2023 Annual Summary Report to be submitted in January 2024 and regularly scheduled LNAPL monitoring and maintenance activities related to the recovery systems to continue to be conducted monthly.

Regards

Please contact me at 1-515-725-8337 if you have any questions.
