RE: AOC-A CVTW Campus 2022 Inspection Report – October 2022
John Deere Waterloo Works Facility
Waterloo, Iowa
EPA ID No. IAD005289806

Dear Mr. Aukstolis:

The U.S. Environmental Protection Agency Region 7 has completed our review of the document titled “AOC-A Cedar Valley Tech Works Campus 2022 Inspection Report” dated October 6, 2022. Based on a review of this document, the EPA is providing its approval of the report.

If you have any questions concerning this matter, please do not hesitate to contact me. I may be reached at (913) 551-7403, by email at messinger.lisa@epa.gov or the letterhead address.

Sincerely,

Lisa Messinger, PG
