RE: Corrective Measures Implementation Report for 2022
John Deere Waterloo Works Facility
Waterloo, Iowa
EPA ID No. IAD005289806

Dear Mr. Aukstolis:

The U.S. Environmental Protection Agency Region 7 has completed our review of the document titled "Corrective Measures Implementation Report for 2022" dated February 22, 2023. Based on a review of this document, the EPA is providing its approval of the report.

If you have any questions concerning this matter, please do not hesitate to contact me. I may be reached at (913) 551-7403, by email at messinger.lisa@epa.gov or the letterhead address.

Sincerely,

Lisa Messinger, PG
Project Manager
Corrective Action Branch
Land, Chemical & Redevelopment Division
