Subject: Land Recycling Program Enrollment Application
ESCP Corporation, 1833 W. 2nd St., Davenport, IA 52802

Dear Mr. Huang:

The Iowa Department of Natural Resources Contaminated Sites Section (Iowa DNR) received the Land Recycling Program (LRP) Enrollment Application on April 13, 2023. The site is approved for enrollment pending completion of a successful Participation Agreement.

Please complete the Participation Agreement (available on our website) in accordance with 567 IAC 137.3(4) and submit within 30 days. A complete Participation Agreement will include explanation of project scope, anticipated future use of property, and timelines amongst other items. Attached is a list of Typical LRP Site Activities for your reference. Matt Graesch will be the Iowa DNR Project Manager for this site. Please contact him with questions or concerns at [515-725-8331](tel:515-725-8331) or by email at matthew.graesch@dnr.iowa.gov

Sincerely,

Shelly Nellesen
