**Re: Allied Products/White Farm Equipment (300 Lawler Street, Charles City, IA)  
Contaminated Sites Database Site ID No. 103  
No Further Action Certificate**

Dear Mr. Rippentrop:

Attached is the signed and notarized Iowa Land Recycling Program No Further Action (NFA) Certificate for the former Allied Products/White Farm Equipment site located at 300 Lawler Street, Charles City, Iowa. Because the site is subject to an institutional control, [IAC 567 137.11\(3\)](#) requires the certificate to be recorded with the Floyd County Recorder, and then a copy returned to the Iowa Department of Natural Resources (DNR) for our records. Upon receipt of a copy of the recorded NFA certificate, the site can be listed as 'closed' on the Iowa DNR Contaminated Sites online database.

Please mail the file-stamped recorded copy to:
