DNR Project Management Update**

Dear Ms. Pfannenstiel:

The Iowa Department of Natural Resources, Solid Waste and Contaminated Sites Section (DNR) is writing to inform you that DNR project management of the former General Motors AC Rochester Facility Site in Sioux City, Iowa has been assigned to Jake Bucklin. Michael Sullivan is the Supervisor of the DNR Solid Waste and Contaminated Sites Section and may be considered a DNR contact for the site as well.

As work continues on the site, please send all correspondence and submissions to:
