

REGION 7

LENEXA, KS 66219

Mr. David Umezaki
EKI Environment & Water, Inc.
2001 Junipero Serra Boulevard, Suite 300
Daly City, California 94014

Dear Mr. Umezaki:

EKI Environment and Water, Inc. on behalf of the Chemplex Parties submitted the "Summary of Results from First Quarter 2024 Groundwater Sampling Event" on May 16, 2024, to the U.S. Environmental Protection Agency and Iowa Department of Natural Resources for the Chemplex Site in Clinton, Iowa as partial fulfillment of requirements contained in Consent Decree No. 3-91-CV-10096 (CD). The agencies approve the report with no comments.

If you have questions or wish to discuss the project, please contact me at (913) 551-7130, or at price.laura@epa.gov.

Sincerely,

Laura Price
Remedial Project Manager
Federal Facilities & Post Closure Section
Superfund and Emergency Management Division
