**Re: Former Flexsteel Industries (3400 Jackson St., Dubuque, IA)
Contaminated Sites Database Site ID No. 1698
No Further Action Certificate**

Dear Ms. White:

Attached is the signed and notarized Iowa Land Recycling Program No Further Action (NFA) Certificate for the former Flexsteel Industries site located at 3400 Jackson St., Dubuque, Iowa. Because the site is subject to an institutional control, IAC 567 137.11(3) requires the certificate to be recorded with the Dubuque County Recorder, and then a copy returned to the Iowa Department of Natural Resources (DNR) for our records. Upon receipt of a copy of the recorded NFA certificate, the site can be listed as 'closed' on the Iowa DNR Contaminated Sites online database.

Please mail the file-stamped recorded copy to:
