WATER SUPPLY
CONSTRUCTION PERMIT

LINN COOPERATIVE OIL COMPANY
ATTN: RON WOESTE
3544 3RD AVE., PO BOX 406
MARION, IA 52302

Permit No.: 2023-0144W
Project No.: W2023-0149
PWSID No.: IA5748086

In accordance with the provisions of Sections 455B.173(9) and 455B.174(4) of the Iowa Code and 567—43.3(455B) of the Iowa Administrative Code, the Director of the Department of Natural Resources does hereby issue a permit for the construction of:

80 linear feet of 10-inch diameter AWWA C151 Class 52 ductile iron pipe water main with nitrile gaskets including all associated appurtenances in accordance with the plans and specifications, for the Linn Cooperative Oil Co. Water Main Replacement project in Lisbon, Iowa.

Note: Department standards require any water main installed in areas of groundwater contaminated by organic compounds must be constructed of materials which do not allow permeation of these compounds into the drinking water supply.

- Excavated contaminated soils must be properly disposed in accordance with 567 – Chapters 100, 101, 102, 120 and 121.

NOTICE: The issuance of this construction permit is based SOLELY on the engineer's certification that all aspects of design included in the project meet the requirements of all applicable state and federal laws and regulations. An advisory review of the plans and specifications may be made at a later date.

Construction of the project shall be initiated within one year of permit issuance or this permit is no longer valid, unless an extension is granted. A request for a permit extension must be requested within one year of permit issuance. Within thirty days after completion of construction, the permit holder shall submit a certification by a Professional Engineer licensed in Iowa that the project was completed in accordance with the approved project documents.

Pursuant to Section 455B.174.4, Code of Iowa, you have the right to appeal any condition of this permit by filing with the Director of the Department of Natural Resources a notice of appeal and request for administrative hearing within thirty days of receipt of this permit.

If you have any questions, please contact Justin Pettit via e-mail at justin.pettit@dnr.iowa.gov or by telephone at 515-725-8445.
