Steve,

I have reviewed the Work Plan Addendum and agree with the proposed scope of work. Please proceed with the remedial activities and submit the Summary Report as described. Additionally, please cc me on any correspondence with the EPA regarding the EPA Injection waiver for this project. If the waiver has already been granted, please forward me the approval.

Thanks,

Andrew Carver, CGP**Environmental Specialist**

Hi Andrew –

On behalf of Rockwell Collins, please find attached the above-referenced work plan addendum to conduct additional groundwater remediation activities this Autumn. I'll follow-up later this week to see if you have any questions or concerns..

Thank you,

Steve
