## **I. JURISDICTION**

1. This Settlement Agreement is entered into pursuant to the authority vested in the Administrator of the U.S. Environmental Protection Agency (EPA) by Section 122(h)(1) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (CERCLA), as amended, which authority has been delegated to the Regional Administrators of the EPA by EPA Delegation No. 14-14-D (Cost Recovery Non-Judicial Agreements and Administrative Consent Orders) and redelegated to the division director of the Superfund and Emergency Management Division, Region 7, by EPA Redelegation No. R7-14-14D (April 29, 2019).

2. This Settlement Agreement is made and entered into by EPA, Dynamic Lifecycle Innovations Inc., and Waste Management of Iowa, Inc. (Settling Parties). Each Settling Party consents to and will not contest EPA's authority to enter into this Settlement Agreement or to implement or enforce its terms.

## **II. BACKGROUND**

3. This Settlement Agreement concerns the Recycletronics – Akron Farm Facility Superfund Site (“Site”) located in Akron, Iowa. EPA alleges that the Site is a “facility” as defined by Section 101(9) of CERCLA, 42 U.S.C. § 9601(9).

4. In response to the release or threatened release of hazardous substances at or from the Site, EPA undertook response actions at the Site pursuant to Section 104 of CERCLA, 42 U.S.C. § 9604.

5. Region 7 conducted a Fund-lead time-critical removal action at the Site to remove approximately 944 tons of crushed and intact cathode ray tube (CRT) glass, as well as other associated wastes.

6. Dynamic Lifecycle Innovations, Inc., is the successor to Dynamic Recycling, Inc.

7. In performing response action, EPA has incurred response costs at or in connection with the Site.

8. EPA alleges that the Settling Parties are responsible parties pursuant to Section 107(a) of CERCLA.

9. EPA and the Settling Parties recognize that this Settlement Agreement has been negotiated in good faith and that this Settlement Agreement is entered into without the admission or adjudication of any issue of fact or law. The actions undertaken by the Settling Parties in accordance with this Settlement Agreement do not constitute an admission of any liability by any Settling Party. Settling Parties do not admit, and retain the right to controvert in any subsequent proceedings other than proceedings to implement or enforce this Settlement Agreement, the validity of the facts or allegations contained in this Section.

## **III. PARTIES BOUND**

10. This Settlement Agreement shall be binding upon EPA and upon Settling Parties and their successors and assigns. Any change in ownership or corporate or other legal status of a Settling Party, including but not limited to, any transfer of assets or real or personal property, shall in no way alter such Settling Party's responsibilities under this Settlement Agreement. Each

signatory to this Settlement Agreement certifies that he or she is authorized to enter into the terms and conditions of this Settlement Agreement and to bind legally the party represented by him or her.

13. Settling Parties shall make the payment at <https://www.pay.gov> in accordance with the following payment instructions: enter “sfo 1.1” in the search field to access EPA’s Miscellaneous Payment Form – Cincinnati Finance Center. Settling Parties shall send to EPA in accordance with Section XIII (Notices and Submissions), a notice of this payment including these references.

14. **Deposit of Payment.** The total amount to be paid by Settling Parties pursuant to Paragraph 13 shall be deposited by EPA in the Recycletronics - Akron Farm Facility Special Account to be retained and used to conduct or finance response actions at or in connection with the Site, or to be transferred by EPA to the EPA Hazardous Substance Superfund.

## **VI. FAILURE TO COMPLY WITH SETTLEMENT AGREEMENT**

15. **Interest on Late Payments.** If any Settling Party fails to make any payment required by Paragraph 12 (Payment by Settling Parties for Past Response Costs) by the required due date, Interest shall continue to accrue on the unpaid balance through the date of payment.

### **16. Stipulated Penalty**

a. If any amounts due to EPA under Paragraph 12 (Payment by Settling Parties for Past Response Costs) are not paid by the required date, Settling Parties shall be in violation of this Settlement Agreement and shall pay to EPA, as a stipulated penalty, in addition to the Interest required by Paragraph 15 (Interest on Late Payments), \$1,000.00 per violation per day that such payment is late.

b. Stipulated penalties are due and payable within 30 days after the date of demand for payment of the penalties by EPA. Settling Parties shall make all payments at <https://www.pay.gov> using the following instructions: enter “sfo 1.1” in the search field to access EPA’s Miscellaneous Payment Form - Cincinnati Finance Center. Complete the form including the Site Name, docket number, and Site/Spill ID Number B7L5, and indicate in the comment field that the payment is for stipulated penalties. Settling Parties shall send to EPA, in accordance with Section XIII (Notices and Submissions), a notice of this payment including these references.

c. Penalties shall accrue as provided in this Paragraph regardless of whether EPA has notified Settling Parties of the violation or made a demand for payment but need only be paid upon demand. All penalties shall begin to accrue on the day after payment is due and shall continue to accrue through the date of payment. Nothing in this Settlement Agreement shall prevent the simultaneous accrual of separate penalties for separate violations of this Settlement Agreement.

17. In addition to the Interest and stipulated penalty payments required by this Section and any other remedies or sanctions available to EPA by virtue of Settling Parties’ failure to comply with the requirements of this Settlement Agreement, any Settling Party who fails or refuses to comply with the requirements of this Settlement Agreement shall be subject to an enforcement action pursuant to Section 122(h)(3) of CERCLA, 42 U.S.C. § 9622(h)(3). If the United States, on behalf of EPA, brings an action to enforce this Settlement Agreement, Settling Parties shall reimburse the United States for all costs of such action, including but not limited to costs of attorney time.

18. The obligations of Settling Parties to pay amounts owed to EPA under this Settlement Agreement are joint and several. In the event of the insolvency of any Settling Party or the failure by any Settling Party to make the payments required under this Settlement Agreement, the remaining Settling Parties shall be responsible for such payments.

19. Notwithstanding any other provision of this Section, EPA may, in its unreviewable discretion, waive payment of any portion of the stipulated penalties that have accrued pursuant to this Settlement Agreement. Payment of stipulated penalties shall not excuse Settling Parties from payment as required by Section V (Payment of Response Costs) or from performance of any other requirements of this Settlement Agreement.

## **VII. COVENANTS BY EPA**

20. **Covenants for Settling Parties by EPA.** Except as specifically provided in Section VIII (Reservations of Rights by EPA), EPA covenants not to sue or take administrative action against Settling Parties pursuant to Section 107(a) of CERCLA, 42 U.S.C. § 9607(a), to recover Past Response Costs. These covenants shall take effect upon the Effective Date. These covenants are conditioned upon the satisfactory performance by Settling Parties of their obligations under this Settlement Agreement. These covenants extend only to Settling Parties and do not extend to any other person.

## **VIII. RESERVATIONS OF RIGHTS BY EPA**

21. EPA reserves, and this Settlement Agreement is without prejudice to, all rights against Settling Parties with respect to all matters not expressly included within Paragraph 20 (Covenants for Settling Parties by EPA). Notwithstanding any other provision of this Settlement Agreement, EPA reserves, and this Settlement Agreement is without prejudice to, all rights against Settling Parties with respect to:

- a. liability for failure of Settling Parties to meet a requirement of this Settlement Agreement;
- b. liability for costs incurred or to be incurred by the United States that are not within the definition of Past Response Costs;
- c. liability for injunctive relief or administrative order enforcement under Section 106 of CERCLA, 42 U.S.C. § 9606;
- d. criminal liability; and
- e. liability for damages for injury to, destruction of, or loss of natural resources, and for the costs of any natural resource damage assessments.

22. Nothing in this Settlement Agreement is intended to be nor shall it be construed as a release, covenant not to sue, or compromise of any claim or cause of action, administrative or judicial, civil or criminal, past or future, in law or in equity, that the United States may have against any person, firm, corporation or other entity not a signatory to this Settlement Agreement.

## **IX. COVENANTS BY SETTLING PARTIES**

23. **Covenants by Settling Parties.** Settling Parties covenant not to sue and agree not to assert any claims or causes of action against the United States, or its contractors or employees, with respect to Past Response Costs and this Settlement Agreement, including but not limited to:

- a. any direct or indirect claim for reimbursement from the EPA Hazardous Substance Superfund based on Sections 106(b)(2), 107, 111, 112, or 113 of CERCLA, 42 U.S.C. §§ 9606(b)(2), 9607, 9611, 9612, or 9613, or any other provision of law;
- b. any claims arising out of the response actions at the Site for which the Past Response Costs were incurred, including any claim under the United States Constitution, the

Constitution of the State of Iowa, the Tucker Act, 28 U.S.C. § 1491, the Equal Access to Justice Act, 28 U.S.C. § 2412, or at common law; and

c. any claim pursuant to Section 107 or 113 of CERCLA, 42 U.S.C. § 9607 or 9613, Section 7002(a) of RCRA, 42 U.S.C. § 6972(a), or state law for Past Response Costs.

24. Nothing in this Settlement Agreement shall be deemed to constitute approval or preauthorization of a claim within the meaning of Section 111 of CERCLA, 42 U.S.C. § 9611, or 40 C.F.R. § 300.700(d).

**25. Waiver of Claims by Settling Parties**

a. Settling Parties agree not to assert any claims and to waive all claims or causes of action (including but not limited to claims or causes of action under Sections 107(a) and 113 of CERCLA) that they may have:

(1) **De Micromis Waiver.** For all matters relating to the Site against any person where the person's liability to Settling Parties with respect to the Site is based solely on having arranged for disposal or treatment, or for transport for disposal or treatment, of hazardous substances at the Site, or having accepted for transport for disposal or treatment of hazardous substances at the Site, if all or part of the disposal, treatment, or transport occurred before April 1, 2001, and the total amount of material containing hazardous substances contributed by such person to the Site was less than 110 gallons of liquid materials or 200 pounds of solid materials;

(2) **De Minimis/Ability to Pay Waiver.** For response costs relating to the Site against any person that has entered or in the future enters into a final CERCLA Section 122(g) *de minimis* settlement, or a final settlement based on limited ability to pay, with EPA with respect to the Site.

**b. Exceptions to Waivers**

(1) The waivers under this Paragraph 25 shall not apply with respect to any defense, claim, or cause of action that a Settling Party may have against any person otherwise covered by such waivers if such person asserts a claim or cause of action relating to the Site against such Settling Party.

(2) The waiver under Paragraph 25.a(1) (De Micromis Waiver) shall not apply to any claim or cause of action against any person otherwise covered by such waiver if EPA determines that: (i) the materials containing hazardous substances contributed to the Site by such person contributed significantly or could contribute significantly, either individually or in the aggregate, to the cost of the response action or natural resource restoration at the Site; or (ii) such person has failed to comply with any information request or administrative subpoena issued pursuant to Section 104(e) or 122(e)(3)(B) of CERCLA, 42 U.S.C. § 9604(e) or 9622(e)(3)(B), or Section 3007 of RCRA, 42 U.S.C. § 6927, or has impeded or is impeding, through action or inaction, the performance of a response action or natural resource restoration with respect to the Site; or if (iii) such person has been convicted of a criminal violation for the conduct to which the waiver would apply and that conviction has not been vitiated on appeal or otherwise.

## **X. EFFECT OF SETTLEMENT/CONTRIBUTION**

26. Except as provided in Paragraph 25 (Waiver of Claims by Settling Parties), nothing in this Settlement Agreement shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Settlement Agreement. Except as provided in Section IX (Covenants by Settling Parties), each of the Parties expressly reserves any and all rights (including, but not limited to, pursuant to Section 113 of CERCLA, 42 U.S.C. § 9613), defenses, claims, demands, and causes of action that they may have with respect to any matter, transaction, or occurrence relating in any way to the Site against any person not a Party hereto. Nothing in this Settlement Agreement diminishes the right of the United States, pursuant to Section 113(f)(2) and (3) of CERCLA, 42 U.S.C. § 9613 (f)(2)-(3), to pursue any such persons to obtain additional response costs or response action and to enter into settlements that give rise to contribution protection pursuant to Section 113(f)(2).

27. The Parties agree that this Settlement Agreement constitutes an administrative settlement pursuant to which each Settling Party has, as of the Effective Date, resolved liability to the United States within the meaning of Sections 113(f)(2) and 122(h)(4) of CERCLA, 42 U.S.C. §§ 9613(f)(2) and 9622(h)(4), and is entitled, as of the Effective Date, to protection from contribution actions or claims as provided by Sections 113(f)(2) and 122(h)(4) of CERCLA, or as may be otherwise provided by law, for the “matters addressed” in this Settlement Agreement. The “matters addressed” in this Settlement Agreement are Past Response Costs.

28. The Parties further agree that this Settlement Agreement constitutes an administrative settlement pursuant to which each Settling Party has, as of the Effective Date, resolved liability to the United States within the meaning of Section 113(f)(3)(B) of CERCLA, 42 U.S.C. § 9613(f)(3)(B).

29. Each Settling Party shall, with respect to any suit or claim brought by it for matters related to this Settlement Agreement, notify EPA in writing no later than 60 days prior to the initiation of such suit or claim. Each Settling Party also shall, with respect to any suit or claim brought against it for matters related to this Settlement Agreement, notify EPA in writing within 10 days after service of the complaint or claim upon it. In addition, each Settling Party shall notify EPA within 10 days after service or receipt of any Motion for Summary Judgment and within 10 days after receipt of any order from a court setting a case for trial, for matters related to this Settlement Agreement.

30. In any subsequent administrative or judicial proceeding initiated by EPA, or by the United States on behalf of EPA, for injunctive relief, recovery of response costs, or other relief relating to the Site, Settling Parties shall not assert, and may not maintain, any defense or claim based upon the principles of waiver, *res judicata*, collateral estoppel, issue preclusion, claim-splitting, or other defenses based upon any contention that the claims raised in the subsequent proceeding were or should have been brought in the instant case; provided, however, that nothing in this Paragraph affects the enforceability of the Covenants by EPA set forth in Section VII.

31. Effective upon signature of this Settlement Agreement by a Settling Party, such Settling Party agrees that the time period commencing on the date of its signature and ending on the date EPA receives from such Settling Party the payment(s) required by Section V (Payment of Response Costs) and, if any, Section VI (Failure to Comply with Settlement Agreement) shall

not be included in computing the running of any statute of limitations potentially applicable to any action brought by the United States related to the “matters addressed” as defined in Paragraph 27, and that, in any action brought by the United States related to the “matters addressed,” such Settling Party will not assert, and may not maintain, any defense or claim based upon principles of statute of limitations, waiver, laches, estoppel, or other defense based on the passage of time during such period. If EPA gives notice to Settling Parties that it will not make this Settlement Agreement effective, the statute of limitations shall begin to run again commencing 90 days after the date such notice is sent by EPA.

## **XI. ACCESS TO INFORMATION**

32. Settling Parties shall provide to EPA, upon request, copies of all records, reports, documents, and other information (including records, reports, documents, and other information in electronic form) (hereinafter referred to as “Records”) within their possession or control or that of their contractors or agents relating to activities at the Site or to the implementation of this Settlement Agreement, including, but not limited to, sampling, analysis, chain of custody records, manifests, trucking logs, receipts, reports, sample traffic routing, correspondence, or other documents or information regarding the Site.

### **33. Privileged and Protected Claims**

a. Settling Parties may assert that all or part of a Record is privileged or protected as provided under federal law, provided they comply with Paragraph 33.b, and except as provided in Paragraph 33.c

b. If Settling Parties assert a claim of privilege or protection, they shall provide EPA with the following information regarding such Record: its title; its date; the name, title, affiliation (e.g., company or firm), and address of the author, each addressee, and of each recipient; a description of the Record’s contents; and the privilege or protection asserted. If a claim of privilege or protection applies only to a portion of a Record, Settling Parties shall provide the Record to EPA in redacted form to mask the privileged or protected information only. Settling Parties shall retain all Records that they claim to be privileged or protected until the United States has had a reasonable opportunity to dispute the privilege or protection claim and any such dispute has been resolved in the Settling Parties’ favor.

c. Settling Parties may make no claim of privilege or protection regarding:

(1) any data regarding the Site, including but not limited to, all sampling, analytical, monitoring, hydrogeologic, scientific, chemical, radiological, or engineering data, or the portion of any other Record evidencing conditions at or around the Site; or

(2) the portion of any Record that Settling Parties are required to create or generate pursuant to this Settlement Agreement.

34. **Business Confidential Claims.** Settling Parties may assert that all or part of a Record submitted to EPA under this Section or Section XII (Retention of Records) is business confidential to the extent permitted by and in accordance with Section 104(e)(7) of CERCLA, 42 U.S.C. § 9604(e)(7), and 40 C.F.R. 2.203(b). Settling Parties shall segregate and clearly identify all Records or parts thereof submitted under this Settlement Agreement for which

Settling Parties assert a business confidentiality claim. Records that Settling Parties claim to be confidential business information will be accorded the protection specified in 40 C.F.R. Part 2, Subpart B. If no claim of confidentiality accompanies Records when they are submitted to EPA, or if EPA has notified Settling Parties that the Records are not confidential under the standards of Section 104(e)(7) of CERCLA or 40 C.F.R. Part 2 Subpart B, the public may be given access to such Records without further notice to Settling Parties.

35. Notwithstanding any provision of this Settlement Agreement, the United States retains all of its information gathering and inspection authorities and rights, including enforcement actions relating thereto, under CERCLA, RCRA, and any other applicable statutes or regulations.

## **XII. RETENTION OF RECORDS**

36. Until 10 years after the Effective Date, each Settling Party shall preserve and retain all non-identical copies of Records now in its possession or control, or that come into its possession or control, that relate in any manner to its liability under CERCLA with respect to the Site. Each of the above record retention requirements shall apply regardless of any corporate retention policy to the contrary.

37. After the conclusion of the 10-year record retention period, Settling Parties shall notify EPA at least 90 days prior to the destruction of any such Records and, upon request by EPA, and except as provided in Paragraph 33 (Privileged and Protected Claims), Settling Parties shall deliver any such Records to EPA.

38. Each Settling Party certifies individually that, to the best of its knowledge and belief, after thorough inquiry, it has not altered, mutilated, discarded, destroyed, or otherwise disposed of any Records (other than identical copies) relating to its potential liability regarding the Site since notification of potential liability by the United States or the State and that it has fully complied with any and all EPA and State requests for information regarding the Site pursuant to Sections 104(e) and 122(e)(3)(B) of CERCLA, 42 U.S.C. §§ 9604(e) and 9622(e)(3)(B), Section 3007 of RCRA, 42 U.S.C. § 6927, and state law.

## **XIII. NOTICES AND SUBMISSIONS**

39. Whenever, under the terms of this Settlement Agreement, notice is required to be given or a document is required to be sent by one Party to another, it shall be directed to the individuals at the addresses specified below, unless those individuals or their successors give notice of a change to the other Parties in writing. Except as otherwise provided, notice by email in accordance with this Section satisfies any notice requirement of this Settlement Agreement regarding such Party.
