Hi Shelly,

Attached is the revised final work plan and responses to your comment for Adaza.

If there are no further issues, I will make sure we provide advanced notice for the fieldwork once scheduled.

Thanks for reviewing these.

Hi Shelly,

Attached is the work plan for the Adaza grain bin site for IDNR review. I do not have a record for an assigned IDNR PM for this one yet.

I've been holding it for a few months before sending to you, but we do have access from the landowner to move forward now.

Thanks, Kale
