Mr. Jake Bucklin
Project Manager
Iowa Department of Natural Resources
502 East 9th Street
Des Moines, Iowa 50319

RE: Vogel Paint & Wax Co. Superfund Site; Designation of Remedial Project Manager (RPM)

Dear Mr. Bucklin:

The United States Environmental Protection Agency is sending this letter to notify the Iowa Department of Natural Resources (IDNR) of a change in the EPA RPM for the Vogel Paint & Wax Co. Superfund Site (site) in Maurice, Sioux County, Iowa. Effective immediately, the EPA (support agency) has designated Brad Johnson as the RPM for the site. All correspondence and submissions required to be submitted to the EPA should be directed to:

Mr. Brad Johnson
Remedial Project Manager
U.S. Environmental Protection Agency
SEMD/REMB
11201 Renner Boulevard
Lenexa, Kansas 66219
Johnson.Bradley@epa.gov (913-551-7848)

If you have any questions, I can be reached at (816) 799-1520 or Hull.Owens@epa.gov.

Sincerely,

Owens Hull
Section Supervisor
Remediation Branch
Superfund and Emergency Management Division

cc: Jason Vore (Vogel Paint and Wax Company)
Phillip A Moffat (Verdant Law); Mike Sullivan (IDNR); Jared Pessetto (EPA)
