| Amount of Proposal Guarantee | Specified completion date or Number of Working Days | Approx. or Specified Starting Date or Number of Working Days | Liquidated Damages Per Day |
|------------------------------|---|--|----------------------------|
| \$2,500.00 | 12/15/2017 | 10/01/2017 | \$100.00 |

The undersigned hereby agrees, if awarded the contract, to execute the proposed contract and to furnish an approved performance bond in a amount not less than 100 percent of the contract award within 30 days after the date of approval of award of the contract, and to provide all labor, materials, and equipment required to complete the project designated above, for the price hereinafter set forth, in strict compliance with the contract documents prepared by the Iowa Department of Natural Resources.

The undersigned agrees, if awarded the contract, to commence the work within a reasonable time after the preconstruction conference or by the specific starting date, if so specified, and to complete the work within the contract period, or to pay liquidated damages in the amount stipulated herein for each calendar day the work remains uncompleted after the expiration of the contract period or any authorized reduction thereof.

A proposal guarantee in the amount stipulated herein is included with this proposal, to be forfeited to the Iowa Department of Natural Resources if the undersigned fails to execute the contract and furnish an approved performance bond, if awarded the contract.

By virtue of statutory authority, preference will be given to products and provisions grown and coal produced within the state of Iowa, and also, a resident bidder shall be allowed a preference against a nonresident bidder from a state or foreign country which gives or requires a preference to bidders from that state or foreign country on projects in which there are no federal funds involved.

PART 1 - GENERAL

1.01 SUMMARY:

- A. Section Includes: General requirements pertaining to:
 - 1. The Work specified for accepted alternate bids, the materials and methods referenced in other sections to achieve specified work, and the coordination and modification of related work and surrounding construction to complete the project under each accepted bid.
- B. Related Sections: Drawings and General Provisions of the contract, including the General Covenants and Provisions, Supplementary Covenants and Provisions and General Requirements.

1.02 DESCRIPTION OF ALTERNATE BIDS:

- A. Base Bid: In the event that the base bid is selected, the contractor shall complete bid items #1-13, and all incidental work associated with this project. The entire length of the trail shall be graded, however no Engineering Fabric or Class A Crushed Stone shall be installed in areas designated as "Type 1 Trail".
- B. Alternate Bid No. 1: In the event that Alternate Bid No. 1 is selected, in addition to the scope of work in the base bid, Bid Item #14, Engineering Fabric and Bid Item #15, Class A Crushed Stone shall be installed in areas designated as "Type 1 Trail".

1.03 ALTERNATE BID REQUIREMENTS:

- A. Bidder must submit alternate bids. Bids submitted without alternate bid will be rejected as unresponsive.
- B. Alternate bids, if awarded, will be considered as a basis for award. The low bid will be analyzed on the base bid and any combination of alternate bids. The Owner reserves the right to award the base bid and all alternates, that in the Owner's opinion, will provide the most cost-effective end product. The Owner's decision is final.
- C. Provide alternate bid for the cost of the service requested in each alternate, either as an addition or as a reduction in the total bid.
- D. The Owner may award any alternate bid or bids at the time of contract award. Any alternate bids awarded as part of the original contract will not extend the project completion time beyond that specified.

END OF SECTION 01030
