

Beeds Lake State Park
Dam Pipe Grouting
Franklin County, IA
PROJECT NUMBER: 21-02-35-01

December 4, 2020

This Addendum is issued to modify, explain or correct the original Drawings and Specifications, and is hereby made a part of the Contract Documents. Please attach this Addendum to the Project Manual in your possession. Insert the number and issue date of this Addendum in the blank space provided on the Proposal Form.

Clarifications:

1. Contractor is not required to install a cofferdam and dewater the area around the pipe on the lake side. Contractor must satisfactorily plug and grout the pipe solid as outlined in the plans but the method in which they do so will not be dictated by the Iowa DNR; the method to achieve solid grouting shall be determined by the contractor. Contractor shall confirm, with any method they determine to use, the pipe section that remains is completely filled with the grout outlined in the plans.
 - a. Regarding the pipe valve, it is the DNR's intent to have this removed from the pipe run, the contractor may cut the valve out and leave the valve in the vault.
2. Two-component, hydrophilic, underwater epoxy shall be used to seal the perimeter of the pipe on the lake side.

Project Manual:

1. The proposal form has been modified, please use the attached proposal form for the bid.

Time and Date of Letting **11:00 AM, December 10, 2020**

PROPOSAL

Project Description and Location

Project No. 21-02-35-01

**DAM PIPE GROUTING
BEEDS LAKE STATE PARK
FRANKLIN COUNTY, Iowa**

Proposal of: _____

Amount of Proposal Guarantee	Specified completion date or Number of Working Days	Approx. or Specified Starting Date or Number of Working Days	Liquidated Damages Per Day
\$2,000.00	April 30, 2021	N/A	\$100.00

The undersigned hereby agrees, if awarded the contract, to execute the proposed contract and to furnish an approved performance bond in a amount not less than 100 percent of the contract award within 30 days after the date of approval of award of the contract, and to provide all labor, materials, and equipment required to complete the project designated above, for the price hereinafter set forth, in strict compliance with the contract documents prepared by the Iowa Department of Natural Resources.

The undersigned agrees, if awarded the contract, to commence the work within a reasonable time after the preconstruction conference or by the specific starting date, if so specified, and to complete the work within the contract period, or to pay liquidated damages in the amount stipulated herein for each calendar day the work remains uncompleted after the expiration of the contract period or any authorized reduction thereof.

A proposal guarantee in the amount stipulated herein is included with this proposal, to be forfeited to the Iowa Department of Natural Resources if the undersigned fails to execute the contract and furnish an approved performance bond, if awarded the contract.

By virtue of statutory authority, preference will be given to products and provisions grown and coal produced within the state of Iowa, and also, a resident bidder shall be allowed a preference against a nonresident bidder from a state or foreign country which gives or requires a preference to bidders from that state or foreign country on projects in which there are no federal funds involved.
