Statement of Complaint

Neglect to farm livestock and failure to properly remove or dispose of dead animals (cattle mainly) as they are left where they die. Attached are photos and additional narrative from the complainant. Allegations include: animal neglect, dead animal burial, dead animal burning, and failure to do anything with dead carcasses, as well as questionable feeding and fencing practices.

It is DNR Field Office 6's opinion that Iowa Dept of Agriculture is more suited for investigating this complaint. If IDALS disagrees, please respond to Kurt Levetzow at Kurt.Levetzow@dnr.iowa.gov or 319-653-2135 or the complainant directly.
