The last roll off truck was out on 3/6/2018. There should have been one from McGregors furnitutre on 3/19/2018, it would have been mostly plastic wrapping from their furniture, this we know because our new employees wife works out there and she called to let us know the dumpster was pick up. The last packer truck was in on 1/9/2018.

Steve/Gail,

Wade from GRRWA Landfill talked to Troy Sedore today, Troy told him that:

If they pickup waste that has no recycling value he does deliver it to Ottumwa landfill and he said he can prove it with scale tickets and fines for not having a tarp over the rear loader packer truck.

When I talked to Gail this morning, she said (or I thought she said) that you guys haven't seen a Sedore truck deliver waste in quite some time. Is there any chance that Sedore is bringing you waste from an unmarked truck?
