SUBJECT: **NOTICE OF VIOLATION** - Failure to Submit Monthly Operation Report  
NPDES Permit #7200802

Dear Mr. Nesselth:

The National Pollutant Discharge Elimination System (NPDES) permit issued to Sunrise Farms requires the submission of operation reports on a monthly basis. To date, we have not received an operation report from this wastewater treatment facility for the month of January 2012.

**Rule 567 IAC 63.7(455B) requires the submission of operation reports within 15 days of the end of the month. Please resume submission of operation reports on a regular and timely basis. Also, the delinquent report must be submitted within 15 days of receipt of this letter.**

If you believe that this notice has been sent in error, or wish to discuss this matter, please call me at 712-262-4177.

Sincerely,

A handwritten signature in cursive script that reads "Sheila Kenny".
