Randy Crawford
Manager
Worth County Recycle Center
PO Box 23
Kensett, IA 50448

Subject: Sanitary Disposal Project Inspection
Permit No. 98-SDP-07-08P-CCC

Dear Mr. Crawford:

Enclosed is a report of an inspection of the Worth County Recycle Center, which was conducted on January 31, 2013, by David Miller, an Environmental Specialist with this office.

No violations or deficiencies were noted during this inspection; please continue to operate this facility in compliance with your permit and Chapter 567 IAC 106.

If you have any questions concerning the report, please contact Mr. Miller at 641 424-4073 or david.miller@dnr.iowa.gov.

Sincerely,

FIELD SERVICES & COMPLIANCE BUREAU

Jeffrey B. Vansteenburg
Field Office Supervisor

IOWA DEPARTMENT OF NATURAL RESOURCES
CITIZEN CONVENIENCE CENTER (CCC) PERMIT INSPECTION FORM

Permit No.: 98-SDP-07-08P-CCC	**County: Worth**
Facility Name: Worth County Recycle Center **Phone Number: 641 324-1741**	**Facility Address:** **4125 Pheasant Avenue** **Kensett, IA 50448**
Responsible Official: Randy Crawford **Phone Number: 641 845-2200** **Person(s) Present:** **1) Randy Crawford** **2)** **3)**	**Mailing Address:** **Post Office Box 23** **Kensett, IA 50448**
Date of This Inspection: 01/31/2013	**Date of Last Inspection: 04/11/2012**

	IAC 567 Chapter 106.3: Permit Exemption		Yes	No	NA
Siting	106.3(2)	Is the Citizen Convenience Center located at a permitted recycling or composting facility or sanitary disposal project? *(Note: If yes, the Citizen Convenience Center shall not require its own permit; instead, the Citizen Convenience Center shall be amended into the host facility's permit.)*	☐	☒	☐

Comments: This facility has a stand-alone CCC Permit and is not subject to the co-location exemption.

	IAC 567 Chapter 106.5: Citizen Convenience Center Operating Requirements		Yes	No	NA
Operations	106.5(1)	Is solid waste only being accepted from citizens and small businesses residing in the service area designated in IAC 567 Chapter 106.4(1)"*f*"? *(Note: Solid waste shall not be accepted from solid waste collection vehicles.)*	☒	☐	☐
	106.5(2)	Is all solid waste received being loaded into dumpsters, compactors, or roll-off boxes and collected by solid waste collection vehicles? *(Note: Solid waste shall not be loaded into solid waste transport vehicles.)*	☒	☐	☐
	106.5(3)	Is solid waste collected as often as necessary to prevent the attraction and harborage of vectors and to prevent a nuisance or public health hazard?	☒	☐	☐
	106.5(4)	Is litter collected as often as necessary to prevent a nuisance or public health hazard?	☒	☐	☐

Comments: Solid waste and recycling is accepted only from rural residents. The only waste streams accepted from in-town residents are those for which they cannot otherwise access disposal service (i.e., appliances, tires).

	IAC 567 Chapter 106.6: Citizen Convenience Center Reporting Requirements		Yes	No	NA
Reporting	106.6	Is the Citizen Convenience Center submitting quarterly tonnage reports to the Department that include: 1) Tons of solid waste disposed of; 2) Comprehensive planning area from which the solid waste originated, and the tons of solid waste from each county and comprehensive planning area; and 3) Destinations of all outgoing solid waste? *(Note: This requirement only pertains to those Citizen Convenience Centers that directly dispose of waste outside Iowa.)*	☐ ☐ ☐	☐ ☐ ☐	☒

Comments: These records are being kept, although the facility is exempt from quarterly reporting because none of their waste streams are being sent out of state.

Other Materials Accepted/Activities On-Site			
Recyclables Drop-Off	☒	Appliance Demanufacturing	☐
Lead Acid Batteries	☐	Electronics Demanufacturing	☐
Used Oil	☒	Yard Waste Collection	☐
Antifreeze	☐	Yard Waste Composting	☐
Tires	☒	HHM/RCC	☐
Brown Goods Collection	☒	Other:	
Cathode Ray Tube Collection	☒		
White Goods Collection	☒		
Scrap Metal Salvaging	☒		

**Be advised your facility may require, due to either SIC code or onsite management practices, an NPDES General Permit #1 (Stormwater permit).*

Comments:

1. White goods are being stored in compliance with 567 IAC 118 and are being turned over well within the 270 day limit. John Choate has been taking the appliances, but his appliance demanufacturing permit has been voluntarily rescinded, so the facility must engage another permitted demanufacturer moving forward.
2. Waste oil is being stored in compliance with 567 IAC 119.
3. Discarded tires are being stored in compliance with 567 IAC 117. They are sent to Liberty Tire of Savage, Minnesota.
4. Cathode ray tubes are being stored in compliance with 567 IAC 122. They are sent to Midwest Recovery of Walford, Iowa.

No violations or deficiencies of Chapter 567 IAC 106 were noted during this inspection.
