Dear Sir/Madam:

The Council Bluffs Public Works Department personnel brought to my attention questions regarding the discharge location(s) of storm water from the Alter facility. Specifically, the storm water discharge location/flow from the large outdoor recycling center is not known.

To determine compliance with NPDES General Permit No 1, please submit a copy of the Alter (Council Bluffs) storm water pollution prevention plan (SWPPP) to my attention at IDNR FO4, 1401 Sunnyside Lane, Atlantic, IA 50022 by **October 31, 2012**.

For your information, NPDES General Permit No. 1 can be downloaded from the IDNR website at:
